A Christmas Gift From Friendship! We have recently contracted with Right Now Media to offer a faith-based learning and bible study tools for our church members. Right Now Media is similar to Netflix, containing over 20,000 videos, children's cartoons, movies and studies for its users. This will be a great resource for bible study groups, families wanting faith-based content for their children to watch and adults with the goal of increasing their devotional opportunities. Right Now Media is an app based tool that can be downloaded to your phone, tablet or tv streaming device and can be viewed in the comfort of your own home! Please be on the lookout for an email from Right Now Media soon giving you directions to create your own personal account. For more information, please visit www.rightnowmedia.org
