Faith Statement

Jesus is my savior. He died on the cross to save me and everyone else in the world. He is my leader and someone I know will lead me down the right path. He teaches me to love others and lead people the way he leads me. That's how he makes a difference in my life.

Logan Noel Deal

Dear Friendship Church,
You are like a rainbow (never ending joy)

I think it's great that you accept anyone to join us in learning about God and you always bring everyone joy and a smile.

Please try to do better at getting more youth groups to interact and help young people learn more so they make good choices.

I thank you for teaching me about God in so many ways (bible school, Sunday School, fun events, CREW, etc.)

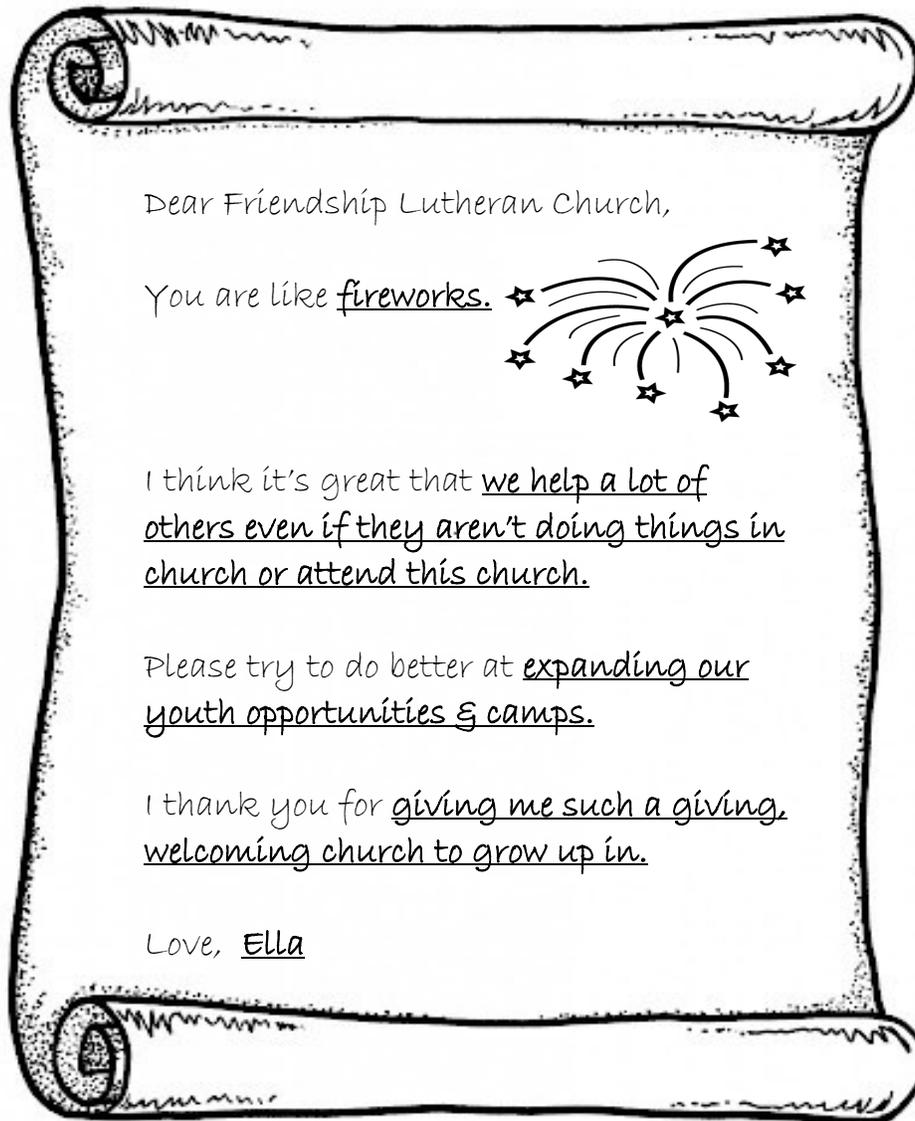

Love, Logan

Faith Statement: Who is Jesus and what difference does he make in your life?

Jesus is many different things. He is a person to talk to, my savior, a forgiver, a generous person, and a man who is possible of all things. Personally, for me, Jesus is an endless escape and a path I can always take when I feel like things aren't possible. He is my strength when I am weak, he is my confidence when I feel like I can't do something. He is my provider for everything I have and continue to be blessed with, and he gives me the ability to be able to do all the things I love to do. I couldn't do things without him. Jesus has blessed me with a loving family, a roof over my head, an amazing church family, the ability to do the sports and hobbies that I enjoy, great friends, and so much more. I am forever thankful for each and everything he has done for me and blessed me with. Confirmation has made me more confident in my faith, taught me more about the bible, and pushed me to go outside of my comfort zone in many ways I didn't think I could handle. It has been an experience that has made me a stronger Christian and person. I have had amazing leaders to help me grow and push me to limits I didn't think I could reach. I am choosing to be faithful for the rest of my life and continue to grow and teach others to push themselves and learn more as Christians as I was taught and called to do. I pray for God to guide me all of my days and am thankful to serve a risen savior.

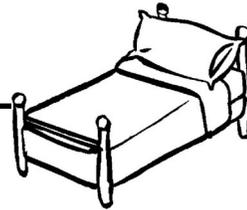

Ella Grace Boston.

These letters to FRIENDSHIP LUTHERAN CHURCH

Dear Friendship Church,
You are like music.

Faith Statement:

Jesus fills me with joy by calling me to be part of the church. Jesus means eternal life, salvation and forgiveness of my sins. Jesus is more than just my Lord & savior, he is also my friend. He walks with me through life and helps me get through the tough times. Jesus means being a part of my church family, taking communion and in many other ways I remember he is with me. In reading the bible, breaking bread, my family, and in my baptism—reminding me that no matter what - Jesus loves me.

Gabriel Levett Shepherd

Dear Friendship Church,
You are like a home for me.

I think it's great that you teach everyone equally.

Please try to do better at coming to church more.

I thank you for teaching me wonderful things about God.

Faith Statement

To me, Jesus is my savior and my guide. He has made a difference in my life by blessing me with everything I have today. He is always there for me and listens to me when no one else is. I can always pray and be confident that he hears me and will answer my prayers. I am forgiven for all my sins because of Jesus! He died on the cross and sacrificed his life for me. Jesus is a role model. I try to be more like him and to spread God's word like he did. He gives me hope of a better life after this one.

Faith Statement

To me, Jesus is my light, my path, and my savior. I know that I can always count on him to be there during dark times. He makes a huge difference in my life by helping me through all situations. I am glad that I can always depend on him. I am glad that I have everlasting life and all my sins will be forgiven. He has made me realize that I am not in control and that he will always help me find a way out through all situations. I am thankful that I have him to guide me through life!

Faith Statement

Jesus is someone I can talk to when I have no one else to turn to, and I know He will listen to all my problems and concerns about the world. He is a peacemaker. Jesus has made good out of bad situations too many times to count. That gives me hope that he will do the same for me in hard times. Jesus is my role model. I look up to him and I try to be more like him in all things that I do. I try to make the best decisions I can for him. Jesus is my light in the darkness, just like the song, Waymaker. He has control over all situations and he always brings light to my life. Jesus is someone that I know has my back and I know I will get to meet him on judgement day.
